Foreword

The symposium on Instrumented Impact Testing of Plastics and Composite Materials was held 11–12 March 1985 in Houston, Texas. ASTM Committee D-20 on Plastics was sponsor of the event. The symposium chairman was Sandra L. Kessler, PPG Industries, Inc., who also served as editor of this publication. Also serving as editors were G. C. Adams, E. I. du Pont de Nemours and Co., Stephen Burke Driscoll, University of Lowell, and Donald R. Ireland, Ireland and Associates.

A Note of Appreciation to Reviewers

The quality of the papers that appear in this publication reflects not only the obvious efforts of the authors but also the unheralded, though essential, work of the reviewers. On behalf of ASTM we acknowledge with appreciation their dedication to high professional standards and their sacrifice of time and effort.
