Peer Review Policy

Each paper published in this volume was evaluated by three peer reviewers. The authors addressed all of the reviewers' comments to the satisfaction of both the technical editor(s) and the ASTM Committee on Publications.

The quality of the papers in this publication reflects not only the obvious efforts of the authors and the technical editor(s), but also the work of these peer reviewers. The ASTM Committee on Publications acknowledges with appreciation their dedication and contribution of time and effort on behalf of ASTM.
Foreword

The symposium on Safety in Ice Hockey was held on 27 Oct. 1987, in Montreal, Quebec, Canada. The event was sponsored by ASTM Committee F-8 on Sports Equipment and Facilities and by its Subcommittee F08.15 on Hockey; it was also cosponsored by the Hockey Equipment Certification Council. Robin Burns, I-TECH Sports Products, Inc., presided as chairman of the symposium, and C. R. Castaldi, University of Connecticut Health Center, and Earl F. Hoerner, Neuromuscular Diagnostic Service, served as editors of this publication.
